Numerous television documentaries on nuclear weapons and the decision to use the atomic bomb have drawn heavily or primarily on my work, including: ABC, BBC (2), NHK-Japan, Asahi, Clark Television, and German National Television. One of the two BBC "Specials" here noted focused entirely on my work and career.

Numerous interviews on ABC, CBS, NBC, NPR and CNN news programs

Related: The Metropolitan Opera in 2008 produced "Dr. Atomic," an opera which drew heavily and explicitly on my work.
